

STUDENT CHAPTER OF SIAM MAGDEBURG

10.07.2017 - Like in every year, the members of the **Society for Industrial and Applied Mathematics** meet for the annual meeting in 2017.

This year, the event takes place at Pittsburgh (Pennsylvania, USA) from 10th until 14th of July.

Beside scientific talks and exchange under SIAM members, also chosen student chapters can introduce themselves by their work and activities. Our **Student Chapter of SIAM Magdeburg** is worthily represented by our current president.
