The poster is for a seminar talk titled "Multiscale Modelling of Filled Elastomers" by Prof. Dr.-Ing Daniel Juhre, from the OVGU, Institute of Mechanics. It is presented by the Magdeburg Student Chapter of SIAM. The event is scheduled for February 15, 2024, at 2.30 p.m. at the Max Planck Institute Magdeburg, Seminar room Prigogine. A photo of Prof. Juhre is included on the right. The website www.siamchapter.ovgu.de is listed at the bottom.

The poster for "Nerd Nite Magdeburg" features a light blue background with a pair of glasses and a beer glass icon. It advertises a free entrance event where attendees can expect "It's like the Discovery Channel with beer!". Three speech bubbles contain topics: "The erratic and annoying drift of sea ice (English)" by Thomas Richter, "Is table soccer even a sport? (English)" by Kicker Syndikat Magdeburg, and "Sea ice in a changing climate (English)" by Carolin Mehlmann. The event is on November 6, 2023, at 8.00 p.m. at The Lion City Pub, Keplerstr. 7.

22 - Sometimes important achievements of humankind become
' and people forget the complex and interesting historical path of
nd technology. But! There is a place in Magdeburg where you can
r and/or discover 6 000 years of the history of science! Our SIAM
Team invited all interested members and students to visit one of the
resting technical museums in Magdeburg - › **Millennium Tower
sendturm**) (<https://www.jahrtausendturm-magdeburg.de/start.html>) .
