

STUDENT CHAPTER OF SIAM MAGDEBURG

Movie Night "Secrets of the Surface"

You are invited to a cozy movie night on Wednesday, **February 15**, at 18:30 in OvGU G16-H5 (building 16, hall 5).

We will stream the documentary **Secrets of the Surface: The Mathematical Vision of Maryam Mirzakhani** which provides a glimpse into the life and mathematical work of Fields Medalist Maryam Mirzakhani.

You can also bring along your colleagues, friends, or partner. Feel free to share the information with anyone interested in the event.

Looking forward to seeing you at the movie night! :)
